

So it says eight simple ways to naturally freshen your home what well here's what happened eight simple ways to naturally fresh in your home came about consumptive and think about a topic for this episode of The Guy R Cook Report and today I

pondered what does everyone have everyone has a home and it's time for spring cleaning or soon will be or it already has been

Anyway these are eight ideas from Karris's vegan kitchen Karissa has a disclaimer on her site that her post may contain affiliate links etcetra, etcetra you can read in the show notes and so I want to thank the patrons they support The Guy R Cook Report couldn't do it without you sure appreciate it

Take a look at the past episodes in the show notes and also at the credits list there's a list there for the people that inspire us and motivate us and so forth do take a look at that have a great week we'll see you tomorrow that concludes this episode of The Guy R Cook Report

It's a wrap
