

We're looking at the Friday wrap-up of the previous episodes of The Guy R Cook Report for the immediate week ending today on may the 4th these episodes are there was eight simple ways to naturally freshen your home it's a Monday episode that we

did recently.

The top 10 SEO tips to raise your website's ranking in 2018 and using winbroadcaster for live streaming the nice thing about win broadcaster I should mention is it's no longer an incident of having to be browser dependent it's an app that runs on Windows 10 not browser dependent that's important in my mind anyway 31 clever lead generation ideas this is some brain food for ideas that you can implement immediately for lead generation for your b2b site.

Thanks for being a patron to all the people that are patrons we appreciate your support all so much and if you like this episode you can check out the other episodes of the guy cook report there's a link in the show notes for that and a link to the credits so you'll know who Fraser Ramsay is, and Ileana Smith we're making them famous one podcast at a time thanks for being with us and take your time out of your day I'll see you next week.

It's a wrap
