

So when you go to the Guy R Cook Report.podbean.com and you click on the link for the episode you should see this, this site uses cookies find out more okay thanks take a look at that if you would I'll just take you a quick second okay so you spent a quick second and

now GDPR deadline is tomorrow May 25th if you're hosted in Europe as 30 percent of my followers are hosted in Europe there's a couple of links that are in the show notes one is the GDPR checklist that ranked combined with what the general data protection regulation when it becomes the law in the EU tomorrow then this link from the diginomica dot-com lets you know what you need to look forward to and have that set up and we'll talk about it if you need some help with that thanks to the patrons are been patrons of the Guy R Cook we sure appreciate your support if you like this episode and check out other episodes of the Guy R Cook the link that we put in the show notes and there's also a link for the credits so you can go to the credits and say well who is this Fraser Ramsay and and what about the Ileana Smith that we keep hearing about well it's listed in the credits take a look on that note it's time to say

it's a wrap
